Hearing Officer Fox:

I have no problem with Ms. Flowers correcting the citations as she requests. However, I have a request of my own. Since IEPA's brief made arguments and assertions that they have never made (and, in fact, indicated variously at hearing an unpreparedness to make) I feel an obligation on behalf of my clients to respond to their brief. Please advise.

Thank you.

Tim and Claire,
I found two typos for the federal register citations in the Agency's post-hearing comments filed 9-1-06. I plan to file a correction of the Agency's comments with the Board so that the references are accurate. Let me know if you have any questions.
Thanks,
Stephanie
