

ILLINOIS POLLUTION CONTROL BOARD
January 8, 1981

IN THE MATTER OF:)
)
THE PETITION OF THE VILLAGE OF) R80-
SAUGET AND THE CITY OF EAST ST.)
LOUIS FOR AMENDMENTS TO)
CHAPTER 3.)

ORDER OF THE BOARD (by D. Satchell):

On December 15, 1980 the Village of Sauget and the City of East St. Louis filed a petition for amendments to Chapter 3: Water Pollution, amended in response to the Board's Order of October 30, 1980. This conforms with the Board's request except that a descriptive heading has not been provided for the proposed rule.

The amended proposal contains a reference to "the sewer system of the City of East St. Louis, as described in PCB 80-52." There is in fact no description of the sewer system in the Board's final Order in PCB 80-52. Petitioner should specify which discharge points are to be covered. It would be preferable if legal descriptions were provided specifying quarter quarter sections with respect to Congressional survey townships (IEPA v. Continental Grain, PCB 79-26, 35 PCB 319, September 6, 1971).

In order to fully inform the public of their substance, regulatory proposals should be in a form which could be adopted by the Board. Authorization for hearings is denied. This matter will be subject to dismissal unless an amended proposal addressing the noted deficiencies is filed within forty-five days.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8th day of January, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
