HEARING OFFICER ORDER

On September 7, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it is proceeding with internal discussions and is hopeful that some, if not all, the issues may be resolved without the necessity of a hearing. The respondent made an oral motion for an extension of time to file the administrative record. The petitioner had no objection. The respondent’s motion is granted. The administrative record is now due on or before September 29, 2006.

The petitioner represented that it will file a waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference on October 12, 2006, at 9:30 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
