HEARING OFFICER ORDER

On September 14, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondent’s attorney represented that he has received additional discovery documents requested by the complainant and will forwarded them to the complainant for its review. It is noted that the meeting between the parties set for August 29, 2006, did not take place due to respondent’s alleged lack of funds. The parties were directed to submit a revised discovery schedule on or before September 27, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 28, 2006, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
