ORDER OF THE BOARD (by Mr. Young):

On October 6, 1978, the Environmental Protection Agency filed a Motion to Accept Abbreviated Hearing which took place on September 26, 1978, without a court reporter to transcribe the proceedings at the hearing.

Section 32 of the Act and Procedural Rule 328 clearly establish that the Board must provide a court reporter to transcribe the entire hearing and file a complete transcript with the record for public inspection. Since there is no provision for waiver of this requirement, the Board must necessarily deny this Motion and order the Hearing Officer to reschedule this matter for hearing to receive the stipulation and settlement agreement and to accept public comment, if any.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 19<sup>th</sup> day of October, 1978 by a vote of 4-0.

  
Christan L. Moffett, Clerk
