ORDER OF THE BOARD (by J. C. Marlin):

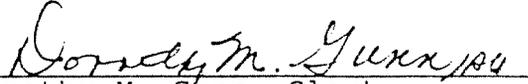

This matter is before the Board on a status report requested by the Board on July 3, 1990. The Petitioner's status report was received by the Board on July 30, 1990, and indicated that Petitioner would submit a permit application with the Agency during the week of July 30, 1990. The Illinois Environmental Protection Agency (Agency) filed a report which was received by the Board on August 6, 1990, indicating that it had not received the permit application prior to submitting the status report.

This is the second status report the Board has requested in this case over the last few months. Each report has indicated that the parties are negotiating towards settlement; however, a settlement has not been reached. This permit appeal was originally filed with the Board on October 25, 1985. Thus, this proceeding has been before the Board for over 5 years; therefore, the Board directs the Hearing Officer to schedule this matter for hearing no later than September 10, 1990 and to complete such hearing no later than November 1, 1990.

IT IS SO ORDERED.

Board Members J. Dumelle and B. Forcade dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 30th day of August, 1990, by a vote of 5-2.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
