INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

The Petition for Variance filed February 26, 1976 by Petitioner World Color Press, Inc., Salem Gravure Division (Salem), is inadequate for the following reasons:

1. The Petition fails to state the actual period for which a Variance is requested. At a minimum, the Petition must show the date of commencement of operations at the Salem plant.
2. The Petition fails to show the ambient air quality for the area which would be affected by a grant of the Variance.

It is the Order of the Board that Petitioner amend its Petition within forty-five (45) days of the date of this Order to provide the above described information. Failure to timely file the amended Petition shall cause the Petition to be dismissed for inadequacy without prejudice. The 90-day decision period set by statute shall run from the filing of the Amended Petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 11th day of March, 1976, by a vote of 4-0.
