RESOLUTION AND ORDER OF THE BOARD (by J.D Dumelle):

On May 27, 1987 publication of notice (52 Fed. Reg. 19797 (18997) by the United States Environmental Protection Agency (USLPA) published notice (52 Fed. Reg. 18797) of the promulgation of an amendment to the National Standards for New Stationary Sources (NSPS).

40 CFR 60 Appendix A
(35 Ill. Adm. Code 230.Appendix A)

Pursuant to Section 9.1 of the Environmental Protection Act, the Board is required to adopt amendments "in substance identical" to the federal NSPS amendments. The Board will do so through incorporation by reference of the federal amendments as peremptory amendments.

On June 10, 1987, the Board adopted a Resolution and Order under docket R87-15 pursuant to notice (52 Fed. Reg. 18797, May 27, 1987) incorporating the Federal amendment into 35 Ill. Adm. Code 230. Subsequent to this adoption, the Board has been informed that the page number was misprinted in the Federal Register. "18797" should read "19797". Therefore, the Board will amend its Resolution and Order of June 10 to reflect this typographical error.
