HEARING OFFICER ORDER

On October 19, 2006, a telephonic status conference was held. In summary, the parties informed the hearing officer that discussions regarding the settlement document have continued, and that progress is being made. The discussions include face- to- face meetings with all necessary parties. One issue appears to remain outstanding, and that issue is anticipated to be discussed in the near future. Tentative hearing dates were discussed and agreed to. The tentative hearing dates are January 16, 17 and 18, 2007.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 16, 2006, at 1:45 p.m. The telephonic status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing
