INTERIM ORDER OF THE BOARD (by Mr. Goodman):

On March 2, 1979, the parties to this action requested that a Stipulation and Proposal for Settlement be adopted by the Board.

Since the settlement terms interferes with respect to the contingent and suspended penalties with the duty of the Board to determine the penalty amount and the conditions under which the penalty is warranted, the Board rejects the Stipulation and Proposal for Settlement. This case is hereby remanded for further proceedings consistent with this Order.

IT IS SO ORDERED.

Mr. Young dissents.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 12th day of July, 1979 by a vote of 4-1.
