HEARING OFFICER ORDER

On November 16, 2006, a telephonic status conference was held. The respondent was unable to appear due to a pressing matter. The complainant represented that the Illinois Environmental Protection Agency is reviewing documents submitted to it by the respondent. To that end, respondent's answer is now due on or before December 29, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 21, 2006, at 11:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
