ORDER OF THE BOARD (by G.T. Girard):

On November 13, 2006, the parties timely filed a joint notice to extend the 35-day period within which Knapp Oil Company, Inc. (Knapp Oil) may appeal an October 5, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. The Agency rejected Knapp Oil's High Priority Corrective Action Plan Budget, but rejected the associated budget on the grounds that the budget as submitted did not include amendments requested by Agency letter of July 17, 2006. The leaking underground petroleum storage tank facility is located at 1117 East Fifth Road, Metropolis, Massac County.

The Board extends the appeal period until February 12, 2007 (125 days after the October 10, 2006 petition receipt date), as the parties request. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If Knapp Oil Chevrolet, Inc. fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 16, 2006, by a vote of 4-0.

Illinois Pollution Control Board
