IN THE MATTER OF:)
)
RCRA SUBTITLE D UPDATE, USEPA) R95-19
REGULATIONS (January 1 through) (Identical-in-Substance Rules)
June 30, 1995))

Proposed rule. Dismissal order.

ORDER OF THE BOARD (by G. Tanner Girard):

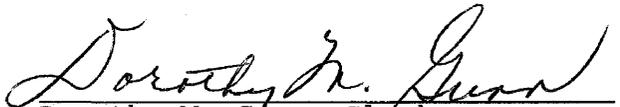

Section 22.40(a) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance" to RCRA Subtitle D nonhazardous municipal solid waste landfill (MSWLF) regulations promulgated by U.S. EPA to implement sections 4004 and 4010 of Subtitle D of RCRA. U.S. EPA has codified its MSWLF regulations at 40 CFR 258. The Board reserved this docket for any RCRA Subtitle D amendments adopted by U.S. EPA between January 1 and June 30, 1995.

During the time period of this docket, U.S. EPA amended its MSWLF regulations on April 7, 1995 (at 60 Fed. Reg. 17652) to delay the effective date for landfill owners and operators to obtain and maintain financial assurance for site closure, post-closure care, and corrective action. On August 3, 1995, in docket R95-13, the Board adopted amendments to the Illinois landfill regulations based on that federal action. There were no other federal amendments during the update period.

For the foregoing reason, the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 5th day of October, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
