ORDER OF THE BOARD (by G.T. Girard):

On November 14, 2006, the parties timely filed a joint notice to extend the 35-day period within which the Noveon, Inc. (Noveon) may appeal an October 2, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. The Agency denied a Lifetime State Air Operating permit for various emissions units involving manufacturing ink additives, stating that the units were not eligible for such permit due to excess emissions. The Noveon facility is located at 9950 West 55th Street, in McCook, Cook County.

The Board extends the appeal period until February 12, 2007 (125 days after the October 10, 2006 permit issuance date),<sup>1</sup> as the parties request. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If Noveon fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 7, 2006, by a vote of 4-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board

<sup>1</sup> While the parties had specified a February 13, 2007 filing date, the Board calculates the date as February 12, 2007.
