ORDER OF THE BOARD (by G.T. Girard):

On November 16, 2006, the parties timely filed a joint notice to extend the 35-day period within which the City of Joliet (City) may appeal an October 5, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. The Agency issued a permit, subject to conditions, governing the land application of anaerobically digested sewage sludge to agricultural land; the City objects to the radium limits in Special Condition 2. The City generates the sludge at the Joliet East, Joliet West, and Aux Sable sewage treatment plants in Joliet, Will County.

The Board extends the appeal period until February 12, 2007 (125 days after the October 10, 2006 permit receipt date), as the parties request. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If the City fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 7, 2006, by a vote of 4-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
