ORDER OF THE BOARD (by Mr. Dumelle):

On October 31, 1978 Petitioner requested a variance from a limitation in its Agency permit. The limitation pertains to the nature of the lots which Petitioner may connect to the Prestwick Utilities sanitary sewer system. The Petitioner does not state whether or not this permit limitation can be changed by a request to the Agency for a modification of the subject permit. Consequently this matter is hereby dismissed. If the Agency denies Petitioner's request, Petitioner can file either a permit denial appeal or a variance petition before the Board.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 2nd day of November, 1978 by a vote of 40.
