ORDER OF THE BOARD (by G.T. Girard):

On October 16, 2006, the County of Ogle (County) filed an administrative citation against respondents Donald and Linda Ebersole and Nathan Mattison. *See* 415 ILCS 5/31.1 (2004); 35 Ill. Adm. Code 108. The administrative citation alleged that respondents violated Sections 21(p)(1), (p)(3), and (p)(7) of the Environmental Protection Act (415 ILCS 5/21(p)(1), (p)(3), (p)(7) (2004)) by causing or allowing the open dumping of waste resulting in litter, open burning, and the deposition of general or clean construction or demolition debris. The violations allegedly took place at respondents' Ogle County facility, which has the Illinois Environmental Protection Agency site code number of 1418195003. In its administrative citation, the County sought the fixed statutory penalty of \$1,500 for each alleged violation, for a total civil penalty of \$4,500.

None of the respondents filed a petition with the Board to contest the administrative citation and the record contains no proof of the County's service of the administrative citation upon respondents. *See* 415 ILCS 5/31.1(b), (c), (d)(1) (2004); 35 Ill. Adm. Code 108.202, 108.204. On December 6, 2006, the County filed a motion to dismiss this case "in its entirety based [on] payment in full of the four-thousand, five-hundred (\$4,500) dollars relevant to this administrative citation and current compliance with section twenty-one (p) of the Illinois Environmental Protection Act." Motion at 1. The Board grants the County's motion, dismisses the administrative citation, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 21, 2006, by a vote of 4-0.
