

I support the Peoria County Board's decision to deny PDC's request for a permit to expand its' hazardous waste landfill.

This toxic waste landfill sits over the aquifer which is Peoria area's main water source and is upwind of the entire city.

Safe places and superior means of dealing with waste must be found.

YES, THE LANDFILL HAS BEEN IN PLACE FOR MANY YEARS; BUT CONTINUING TO COMPOUND THE PROBLEM IS NOT AN ACCEPTABLE SOLUTION. THIS LANDFILL SITE NEEDS TO BE CLOSED "NOW", AND ADEQUATE FUNDS SET ASIDE TO COVER THE COSTS OF FUTURE LEAKS (PROBLEMS) - BECAUSE THEY WILL HAPPEN.
