ORDER OF THE BOARD (by Mr. Young):

Petitioner's Amended Petition for Reconsideration filed January 11, 1977 is accepted by the Board and the 90 day decision period set by statute shall run from the date of this Order.

The Board finds that the information submitted pursuant to Procedural Rule 401(a)(x) contained on page 2 of the Amended Petition dated January 5, 1977 is non-responsive and is hereby stricken.

The Board will allow the incorporation by reference of specific relevant facts contained in prior Board variance proceedings but only after the Petitioner has completely identified the case and the page number in the opinion or pleadings where the facts are set forth; or, if a hearing was held, by a specific page citation to the record.

Since the information required by 401(a)(x) is supplied by Petitioner's response to 401(a)(vi) and 403(c), no additional filing is required.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 20th day of January, 1977 by a vote of 5-0.
