v.	)	PCB 07-64
	)	(UST Appeal)
ILLINOIS ENVIRONMENTAL	)	(90-Day Extension)
PROTECTION AGENCY,	)	
	)	
Respondent.	)	

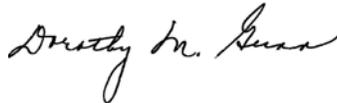

ORDER OF THE BOARD (by G.T. Girard):

On January 17, 2007, the parties timely filed a joint notice to extend the 35-day period within which Wright Petroleum may appeal a December 12, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing based on the petitioner's receipt of the determination on December 14, 2006, as the parties assert, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. The Agency rejected the High Priority Corrective Action Plan Budget for Wright Petroleum's leaking underground petroleum storage tank facility located at Route 61 (also know as East Main Street), Augusta, Hancock County.

The Board extends the appeal period until April 13, 2007, as the parties request, based on the December 14, 2006 receipt date. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If Wright Petroleum fails to file an appeal on or before that date<sup>1</sup>, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 26, 2007, by a vote of 4-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board

---

<sup>1</sup> The Board reminds Wright Petroleum that any appeal must be filed by an attorney, rather than an environmental consultant. *See* 35 Ill. Adm. Code 101.400(a)(2).
