ORDER OF THE BOARD (by G.T. Girard):

On January 17, 2007, the parties timely filed a joint notice to extend the 35-day period within which Electro-Motive Diesel, Inc. (Electro-Motive) may appeal a December 13, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. The Agency issued Electro-Motive a renewal permit, with conditions, under the Clean Air Act Permit Program for Electro-Motive's manufacturing facility for locomotives and components located at 9301 W. 55th Street, McCook, Cook County.

The Board extends the appeal period until April 14, 2007, as the parties request, based on the December 13, 2006 permit issue date. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If Electro-Motive fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 26, 2007, by a vote of 4-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
