ORDER OF THE BOARD (by I. Goodman):

It is the Order of the Pollution Control Board that the Village of Riverton be granted variance from Rule 962 of Chapter 3: Water Pollution of the Board's regulations under the following conditions:

a) The Mayor and the Village Council, acting as individuals and as representatives of the Village, shall certify to the Illinois Environmental Protection Agency in writing whether any sewerage whatsoever has been discharged into the sewer. The first certifications shall be made within one month after construction of the sewer has been completed. Certifications shall be made at six-month intervals thereafter until such time as the restricted status of the Village's sewer system is removed.

b) Within 45 days of the date of this Order, Petitioner shall execute a Certification of acceptance and agreement to be bound by all terms and conditions of this variance. The Certification shall be forwarded to the Illinois Environmental Protection Agency, Variance Section, 2200 Churchill Road, Springfield, Illinois 62706. This 45-day period shall be held in abeyance during periods in which this matter is appealed. The form of the Certification shall read as follows:
