ORDER OF THE BOARD (by G.T. Girard):

On December 7, 2006, at the parties' request, the Board extended until February 12, 2007, the time period within which Noveon, Inc. (Noveon) may appeal an October 2, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40 (a)(1) (2004); 35 Ill. Adm. Code 105.206. The Agency denied a Lifetime State Air Operating permit for various emissions units involving manufacturing ink additives. The Agency determination concerns Noveon's facility located at 9550 West 55th Street in McCook, Cook County.

On February 7, 2007, before the extended appeal period expired, Noveon filed a motion to voluntarily dismiss this proceeding. Noveon states that the Agency issued a revised operating permit on January 18, 2007, and does not object to the dismissal of this case. The Board grants Noveon's motion and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 15, 2007, by a vote of 4-0.
