Re: **ADMINISTRATIVE CITATION**
IEPA Case No. :
Site Code No. : 0998110001
Inspection Date: 1/19/07

Dear Ms. Gunn:

Enclosed for filing with the Board is the Administrative Citation package issued to the above-captioned facility. I am forwarding one complete copy which includes the following:

1. The Administrative Citation
2. The Field Inspector's Affidavit
3. A Remittance Form

I am also enclosing ten (10) additional copies of the Administrative Citation, documented discussions and Inspector's Affidavit. Please file stamp a copy and return it to our office. A self-addressed stamped envelope is enclosed for your convenience.

For your records, the Citation package was delivered via personal service by Matthew Stafford, Supervisor of Field Office Operations for LaSalle County Environmental Services and Land Use on February 13, 2007 at a meeting held in our office with Rebecca Foster. The signed and dated affidavit shows receipt of this Administrative Citation so your files will reflect the thirty-five (35) days after which the Board can enter the required Default Order if a Petition for Review has not been filed. If the Respondent pays the civil penalty without filing a Petition for Review, I will so notify your office.

Respondents were served at:

Wayne and Becky Foster
1221 North 2053rd Rd
Grand Ridge, IL 61325

Thank you for your assistance and kind attention to this matter. If there are further documents or materials which you need from us, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Troy D. Holland". The signature is fluid and cursive, with the first name being the most prominent.

NARRATIVE INSPECTION REPORT DOCUMENT

Date of Review: January 19, 2007
Site Code: 0998110001

Inspector(s):Christy Vargochik
Time: 12:45 p.m. – 12:55 p.m.

GENERAL REMARKS

A solid waste landfill inspection was performed on January 19, 2007, by Christy Vargochik representing the LaSalle County Department of Environmental Services and Land Use under the delegated authority of the Illinois Environmental Protection Agency at the property of Wayne and Rebecca Foster. The property is located at 1221 N. 2053rd Rd., Section 18, Farm Ridge Township, and Grand Ridge, Illinois. The parcel numbers are 27-19-110-000 and 27-19-111-000. During the inspection the following was noted: causing or allowing open dumping; disposing and storing of waste at a site not meeting requirements of the Act and Regulations; causing or allowing the open dumping in a manner which is resulting in litter at the dump site; causing or allowing the open dumping of waste tires, and; failure to submit an application for a permit to develop and operate a landfill.

Weather conditions noted on arrival were sunny and approximately 34 degrees.

This property has been a recurring location of violations of the [Illinois] Environmental Protection Act and the LaSalle County Inoperable Vehicle Ordinance since August 24, 1999.

I arrived at the site at 12:45 p.m. I began the inspection at the southeast corner. I found a utility truck, a green truck, and a brown sedan parked in this area (photo 1051.53). I continued to the northwest, and photographed a red tractor and a beige truck with a topper (photo 1051.54). I observed a motorcycle, fence posts, metal, and other items sitting in front of the garage (photo 1051.55). I took another picture of a few refrigerators, tanks, an ATV, another truck, and other items also stored on the driveway (photo 1051.56). A final picture was taken of the front yard which appeared to be cleaner than at previous inspections (photo 1051.57). At this time, I concluded the inspection, and left the site at 12:55 p.m.
