PETITION FOR REVIEW

Pursuant to §§ 40 and 57.8(i) of the Environmental Protection Act ("Act"), 415 ILCS 5/40, 5/57.8(i), and to the Board's regulations on Leaking Underground Storage Tank ("LUST") decisions, 35 ILL. ADM. CODE 105.400 *et seq.*, petitioner Bob's Service Center, Inc. ("Service Center"), by its attorneys in this regard, The Sharp Law Firm, P.C., submits this Petition for Review of the Illinois Environmental Protection Agency ("Agency") decision attached hereto as Exhibit 1 ("Decision") purporting to deny Service Center reimbursement for \$5,115.81 in costs incurred under the LUST program.

Pursuant to § 57.8(l) of the Act, Service Center further requests the Board to order the Agency to pay Service Center's legal costs for seeking payment in this appeal.

I. THE AGENCY'S FINAL DECISION

The Decision of which review is sought is contained in Exhibit 1 hereto.

II. SERVICE OF THE AGENCY'S FINAL DECISION

The Decision indicates it was mailed January 26, 2007. It was received by Service Center January 28, 2007.

III. GROUND FOR APPEAL

A. The Agency's contention that Service Center analysis costs "lack supporting documentation" is erroneous, arbitrary and capricious. 35 Ill. Adm. Code 732.601(b)(9) and 734.605(b)(9) state that a complete application for payment consists of the following elements: ...[A]n accounting of costs, including but not limited to, invoices, receipts, and supporting documentation showing the dates and descriptions of the work performed. Service Center in fact submitted the required documentation, which was ignored by the Agency.

B. The Agency's contention that it cannot determine if the \$5,115.81 will be used for "corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act" is erroneous, arbitrary and capricious. The application at issue was not for a budget but for reimbursement. The activities already have been performed and the conjecture by the Agency is both illogical and erroneous.

IV. CONCLUSION.

For the foregoing reasons, petitioner Bob's Service Center, Inc. respectfully petitions the Board to reverse the denial of reimbursement in the amount of the \$5,115.81 and order the Agency to pay Service Center's attorneys' fees for this appeal.

Dear Mr. Foerster:

The Illinois Environmental Protection Agency has completed the review of your application for payment from the Underground Storage Tank Fund for the above-referenced Leaking UST incident pursuant to Section 57.8(a) of the Illinois Environmental Protection Act (Act), and 35 Ill. Adm. Code 732, Subpart F. This information is dated August 31, 2006 and was received by the Agency on September 1, 2006. The application for payment covers the period from February 1, 2006 to August 19, 2006. The amount requested is \$203,371.13.

The deductible amount for this claim is \$10,000.00, which was previously deducted from the Invoice Voucher dated August 14, 2006. Listed in Attachment A are the costs which are not being paid and the reasons these costs are not being paid.

On September 1, 2006, the Agency received your complete application for payment for this claim. As a result of the Agency's review of this application for payment, a voucher for \$197,854.75 will be prepared for submission to the Comptroller's Office for payment as funds become available based upon the date the Agency received your complete request for payment of this application for payment. Subsequent applications for payment that have been/are submitted will be processed based upon the date complete subsequent application for payment requests are received by the Agency. This constitutes the Agency's final action with regard to the above application(s) for payment.

An underground storage tank owner or operator may appeal this final decision to the Illinois Pollution Control Board (Board) pursuant to Section 57.8(i) and Section 40 of the Act by filing a

petition for a hearing within 35 days after the date of issuance of the final decision. However, the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the owner or operator and the Illinois EPA within the initial 35-day appeal period. If the applicant wishes to receive a 90-day extension, a written request that includes a statement of the date the final decision was received, along with a copy of this decision, must be sent to the Illinois EPA as soon as possible.

Item # Description of Deductions

1. \$400.57, deduction for costs associated with free product removal, site investigation or corrective action. The billings submitted exceed the approved budget amounts. The Illinois EPA is unable to approve billings that exceed the approved budget amounts pursuant to Section 57.8(a)(1) of the Act and 35 Ill. Adm. Code 732.601(g) and 732.606(m). *see 1/8*

Equipment costs are over the approved budget. - 013286

2. \$5,115.81, deduction for costs that lack supporting documentation. Such costs are ineligible for payment from the Fund pursuant to 35 Ill. Adm. Code 732.606(gg). Since there is no supporting documentation of costs, the Illinois EPA cannot determine that costs will not be used for activities in excess of those necessary to meet the minimum requirements of Title XVI of the Act; therefore, such costs are not approved pursuant to Section 57.7(c)(4)(C) of the Act because they may be used for corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act. *poss claim*
