ORDER OF THE BOARD (by G.T. Girard):

On December 7, 2006, the Board, at the parties' request, extended until February 12, 2007, the time period within which the City of Joliet (City) may appeal an October 5, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40 (a)(1) (2004); 35 Ill. Adm. Code 105.206. The Agency issued a permit, subject to conditions, governing the land application of anaerobically digested sewage sludge to agricultural land. The City objects to the radium limits in special condition 2. The City generates the sludge at the Joliet East, Joliet West, and Aux Sable sewage treatment plants in Joliet, Will County. Because the City failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 1, 2007, by a vote of 4-0.

Illinois Pollution Control Board
