ADMINISTRATIVE RECORD

The Respondent, Illinois Environmental Protection Agency ("Illinois EPA"), by and through its attorneys in accordance with the Illinois Pollution Control Board ("Board") Order of March 1, 2007, files its Administrative Record ("Administrative Record") in this cause.

Acting in accordance with its authority under the permit provisions of the Illinois Environmental Protection Act (hereinafter "Act"), 415 ILCS 5/39 (2006), the Illinois EPA issued a construction permit for North American Lighting, Inc. ("North American") on January 23, 2007. The permit authorized the construction of five paint spray booths for plastic parts coating and four bulk molding compound units at the facility located at 2277 South Main Street, Paris, Edgar County, Illinois. On February 23, 2007, Petitioner filed a petition before the Board challenging certain conditions contained within the construction permit issued by the Illinois EPA.

In accordance with the Board's Order of March 1, 2007, Order, four copies and an original of the Administrative Record are filed with the Board. The Administrative Record consists of, among other things, North American's permit application materials;

correspondence between the Illinois EPA and North American; the currently applicable Clean Air Act Permit Program Permit (“CAAPP”); the CAAPP permit application materials; and other miscellaneous documents. The specific documents contained within this Administrative Record are as follows:

Contents of the Administrative Record
