Discovery is proceeding and the parties continue to discuss any issues that arise.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 14, 2007, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
