**JURISDICTION**

This Administrative Citation is issued pursuant to authority vested in the Illinois Environmental Protection Agency by 415 ILCS 5/1 *et. seq.* (2005), specifically 415 ILCS 5/31.1, and delegated to Ogle County pursuant to 415 ILCS 5/4 (r).

**FACTS**

1. The Respondents, John & Angela Baker, are the present owners and operators and in control and possession of a facility located in the County of Ogle, State of Illinois.
2. The facility is an open dump, operating without an Illinois Environmental Protection Agency Operating Permit, and designated with the Site Code Number 1418095002. The facility is known to the Agency as Baker, John & Angela.
3. That Respondents, John & Angela Baker, have occupied, controlled and/or operated the facility at all relevant times hereto.

4. That on April 16, 2007, Joy K. Bliton, Field Inspector for Ogle County Solid Waste Management Department, inspected the facility.

### **VIOLATIONS**

On the basis of Field Inspector, J. K. Bliton's direct observation, she has determined that the Respondents have caused or allowed open dumping at the above described facility in a manner that resulted in the following violations: 415 ILCS 9(a), 9(c), 21(a), 21(d), 21(e), 21(p)(3), 55(a)(1&2) and 35 Illinois Administrative Code Requirements, Subtitle G 812.101(a).

That on April 16, 2007 an on-site inspection of the facility disclosed the following:

- 1) The Respondents have caused or allowed the open dumping of any waste in a manner which resulted in open burning in violation of 415 ILCS 5/21(p)(3).

### **CIVIL PENALTY**

In accordance with 415 ILCS 5/42 (b)(4), the Respondents are subject to a civil penalty of \$1,500.00 for each violation specified above. This is a total of \$1,500.00 for this Citation. Additionally, should the Respondents elect to petition the Illinois Pollution Control Board under the review process described below, after an adjudicatory hearing, the Respondents shall be assessed the hearing costs incurred by the Pollution Control Board. The hearing cost would be in addition to the \$1,500.00.

If Respondents acknowledge the violations cited hereinabove, the civil penalty shall be due and payable no later than thirty-five (35) days from the date of service hereof. If Respondents do not petition the Pollution Control Board for review of this Administrative Citation within thirty-five (35) days of service hereof or if Respondents elect to contest this Administrative Citation, any judgment rendered against Respondents shall specify the due date of the statutory civil penalty and any costs assessed against Respondents.

When payment is made, Respondents' check should be made payable to Ogle County Solid Waste Fund and mailed to the Ogle County Treasurer, Ogle County Courthouse, P.O. Box 40, Oregon, IL 61061. Respondents shall complete and return the enclosed Remittance Form to ensure proper documentation of payment.

If any civil penalty, by reason of acknowledgment, default or finding after adjudicatory hearing, is not paid when due, the Illinois Environmental Protection Agency shall take into consideration such failure to pay during any permit review process upon Respondents' application for a new permit or for renewal of an existing permit. If any civil penalty imposed by the Illinois Pollution Control Board is not paid within the time prescribed in the order, interest on such penalty will be assessed for the period from the date payment is due until the date payment is received. Furthermore, if payment is not received when due, the Ogle County State's Attorney shall be requested to initiate proceedings in Circuit Court to collect said civil penalty. In addition to the previously assessed civil penalty, interest, and hearing costs of Ogle County and the Illinois Pollution Control Board, if any, the Ogle County State's Attorney's Office will seek to recover their costs of litigation.

NARRATIVE INSPECTION REPORT

Date of Inspection: April 16, 2007

Inspector: Bliton, J.K.

Site Code: 1418095002

County: Ogle

Site Name: Baker, John & Angela

Time: 11:23 a.m. – 12:18 p.m.

General Remarks

While driving north on Mt. Morris Road to another inspection, I noted black smoke to the north. I took pictures and followed the smoke. I arrived at the site at 11:22 a.m. I could see a fire with black smoke in the back of a farm.

I drove in and Angela Baker came out to speak with me. I identified myself and asked about the fire. She said there was an old pool that they were burning. She said her husband was back there. She called her husband, John, who came from the barns. He told me that he was burning some wood skids. I told him that there is other waste that is contributing to the black smoke. I said, "are you burning tires?" He said, "no." I told him we would need to walk over to the pile. I found 7 tires in the pile, along with the plastic pool. I told him that he could either put the fire out or we could call the Fire Department. He was able to put it out. He said he pulled a couple tire rims out of the fire before he started it. He said that they purchased the property around 14 years ago and that pile has been there since that time. He said they added some tree branches but that is all.

I noted signs of previous burning and explained to Mr. Baker that the grass would have filled in if the last fire was 14 years ago. I told him that there would likely be a fine and could be as much as \$3,000. I took photos and left the site at 12:20 p.m.
