ORDER OF THE BOARD (by J.D. Dumelle):

Petitioner filed a Petition for Variance on July 16, 1980. Pursuant to Procedural Rule 401, Petitioner is hereby ordered to amend its petition with respect to additional information concerning: (1) the ownership of the sewer system, (2) the environmental impact that the granting of the variance would impose, and (3) the availability of alternative methods of compliance and the costs of those methods.

The Board hereby orders that Lake County be made a party to the Petition and that the Petition be amended by joining the County.

Failure to make these amendments or failure to provide service pursuant to the Board's Procedural Rule 305 within 45 days of the day of this order may result in a dismissal of this Petition for inadequacy.

The Board also notes that the 90 day period for decision on a variance petition under the Board's Procedural Rule 410 will commence upon the filing date of the amended petition.

IT IS SO ORDERED.
