HEARING OFFICER ORDER

On August 13, 2007, the parties participated in a telephone status conference with the hearing officer. The amended discovery schedule as set forth in the July 5, 2007 hearing officer order remains in effect. On July 19, 2007, complainant filed an amended complaint to correct the date of removal of the 55-gallon drums from respondent's site. Respondent did not object. Accordingly, the hearing officer accepts the amended complaint for hearing. The parties agree that respondent need not amend or refile its original answer to the complaint that was filed on December 14, 2006.

The parties are reminded to participate in a telephone status conference with the hearing officer at 10:00 a.m. on November 13, 2007. The status conference shall be initiated by the complainant.
