HEARING OFFICER ORDER

On October 4, 2007, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discussions have been ongoing and that the respondent expects to file a pleading addressing the matter on or before November 5, 2007. It is also anticipated that the petitioner will file response in the form of a motion to stay the proceedings on or before November 19, 2007. Petitioner represented that it will file an additional 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to appear at a telephonic pre-hearing conference with the hearing officer on December 13, 2007, at 11:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
