The respondent requested that the status be continued in order to confirm it's availability for the March 2008, date.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 25, 2007, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.
