(Variance)

ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on the filing of the Village of Carbon Hill's second amended petition for variance. By its order of February 28, 1991, the Board directed petitioner to cure its variance petition by filing an amended petition indicating from which constituent(s), i.e., gross alpha and/or radium (35 Ill. Adm. Code 611.330(a) and (b)), it seeks a variance. Petitioner's second amended petition fails to cure this deficiency.

Petitioner is directed to file an amended petition setting forth this information within 21 days of the date of this order. If no such filing is received by the Board, this petition is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of April, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
