**MOTION FOR EXTENSION OF TIME**  
**IN WHICH TO FILE A RESPONSE**

NOW COMES the Illinois Environmental Protection Agency ("Illinois EPA"), by and through one of its attorneys, Stephanie Flowers, and pursuant to 35 Ill. Adm. Code 101.500(d) and 101.522, requests that the Hearing Officer for the Illinois Pollution Control Board ("Board") grant the Illinois EPA a two week extension, until December 3, 2007, in which to file a response to the Rule Proposal Amendment filed with the Illinois Pollution Control Board ("Board") by the Association of Responsible Recyclers ("NORA") in the above-entitled matter on November 5 2007. In support of its motion, the Illinois EPA states the following:

1. That the document delivered to the Board on November 5, 2007 and titled Rule Proposal Amendment was not styled as a motion.
2. That the Illinois EPA has only recently learned that the Board does intend to classify the Rule Proposal Amendment as a motion triggering a 14-day time limit for the Illinois EPA's response to the motion.
3. That the 14-day period in which the Illinois EPA has to respond to the motion ends during the week of a holiday and due to time off and vacation time of legal counsel and technical staff there is insufficient time to provide an adequate response to the Rule Proposal Amendment.

4. That an additional two-week period allowed to the Illinois EPA to respond to NORA's motion will not adversely affect this rulemaking.

WHEREFORE, the Illinois EPA respectfully requests that the Hearing Officer in this rulemaking grant this motion and agree to allow the Illinois EPA a two week extension, until December 3, 2007, in which to file its response.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL  
PROTECTION AGENCY
