HEARING OFFICER ORDER

On November 20, 2007, a telephonic status conference with the hearing officer was held. Respondent did not appear. The petitioner represented that discussions continue and that a settlement meeting was recently held. It appears that there remains one outstanding issue and that the parties are exchanging appropriate language. The petitioner represented that the above-captioned matter is related to two other permit appeals before the Board. By agreement, the record in this matter is now due on or before February 7, 2008. The petitioner represented that it will file an additional 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference on January 24, 2008, at 11:15 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
