HEARING OFFICER ORDER

On November 29, 2007, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it has forwarded modified permit applications to the Illinois Environmental Protection Agency for review. The parties represented that they will continue settlement discussions while the applications are under review. It was agreed that respondent’s answer or other pleading is now due on or before February 29, 2008.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 14, 2008, at 9:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
