**MOTION FOR LEAVE TO INTERVENE**

I, FAITH E. BUGEL, hereby file a MOTION TO INTERVENE in this matter on behalf of ENVIRONMENTAL LAW & POLICY CENTER. In support of this Petition, ELPC states the following:

1. ELPC is an Illinois-based not-for-profit organization that was previously party to the CAIR (R06-025) and Mercury (R06-026) Rulemakings before the Illinois Pollution Control Board and is similarly affected by the current Adjusted Standard proceeding.

2. Due to our interest and involvement in R06-025 and R06-026, ELPC and all ELPC members have an interest in proceedings that decide and affect the applicability of the Illinois Mercury Rules.

3. ELPC and its members will be directly and materially affected by the outcome of this proceeding. ELPC's mission includes advocating for the protection of air quality and water quality, and protection of public health directed related to air and water quality. ELPC's members would be directly affected by an adjusted standard at the Will County facility that affects the manner in which the Illinois Mercury Rule is applied and the consequent mercury emissions from that facility.

Respectfully Submitted,

*Faith E. Bugel*
