**HEARING OFFICER ORDER**

On January 10, 2008, the parties participated in a telephone status conference with the hearing officer. There is no clear consensus among the noise experts for both parties as to a definitely effective solution. Respondent has made its final offer to complainant, and it is now up to complainant to decide whether a hearing will be necessary.

The parties are directed to participate in a telephone status conference with the hearing officer at 3:30 p.m. on February 13, 2008. The telephone status conference will be initiated by the complainant.

IT IS SO ORDERED.
