SUPPLEMENTAL OPINION AND ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Pollution Control Board (Board) upon Petitioner's March 2, 1976, motion to modify the final Order, herein, issued February 26, 1976. No response has been received from the Environmental Protection Agency. The Board will grant the relief requested. Petitioner correctly contends that the Hearing Officer, herein, allowed it to amend its petition to include permit 1975-SA-1047 COP for operation of a project on Sector 3 of the former United Electric Property. Special Condition #8 contains the same language as Special Condition #11 and, for the same reasons stated in the February 26 Opinion, will be struck from said permit.

This Opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER

It is the Order of the Board that Special Condition #8 be and is, hereby, deleted from permit #1975-SA-1047-COP.

IT IS SO ORDERED.

Mr. Young abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Supplemental Opinion and Order were adopted on the 11<sup>th</sup> day of March, 1976 by a vote of 4-0.
