ORDER OF THE BOARD (by A.S. Moore):

On January 23, 2008, Rohm and Haas Company (Rohm and Haas) filed a “Voluntary Withdrawal of FESOP [Federally Enforceable State Operating Permit] Permit Appeal” (Withdrawal). Rohm and Haas states that a revised permit, issued on January 14, 2007¹ by the Illinois Environmental Protection Agency, resolves the issues contested in this appeal. Withdrawal at 2. Rohm and Haas further states that the revised permit contains a condition that the revised permit takes effect only on the withdrawal of this appeal. *Id.* The Board grants Rohm and Haas’ voluntary withdrawal of its appeal, dismisses this case, and closes this docket.

IT IS SO ORDERED.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 7, 2008, by a vote of 4-0.

John T. Therriault, Assistant Clerk
Illinois Pollution Control Board

¹ The Board notes that Rohm and Haas submitted its application for a revised permit on May 18, 2007. Withdrawal at 2. Although Rohm and Haas refers in its withdrawal to issuance of the revised permit on January 14, 2007, the Board in light of the application date regards this as a merely technical error.
