MOTION FOR WAIVER OF COPY REQUIREMENTS

NOW COMES, the ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA"), by one of its attorneys, and pursuant to 35 Ill. Adm. Code 101.500, 102.110 and 102.402, moves that the Illinois Pollution Control Board ("Board") waive certain requirements, namely that the Illinois EPA submit the original and nine copies of all documents that were requested of the Illinois EPA at the January 2008 hearings. In support of its Motion, the Illinois EPA states as follows:

Section 102.200 of the Board's procedural rules requires that the original and nine copies of each regulatory proposal be filed with the Clerk. 35 Ill. Adm. Code 102.200. The responses to the request made to the Illinois EPA at the January 2008 hearings approaches several hundred pages in length. Given the length of the information the Illinois is providing and the resources required to provide nine copies, the Illinois EPA requests that the Board waive the normal copy requirements of Section 102.200 and allow the Illinois EPA to instead file the original and four complete copies of the information requested of the Illinois EPA.

WHEREFORE, for the reasons set forth above, the Illinois EPA moves that the Board waive the copy requirement and allow the Illinois EPA to provide the Board with an original and four complete copies.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL
PROTECTION AGENCY
