On April 7, 2008, the parties participated in a telephone status conference with the hearing officer. Respondents report that some progress has been made at the site, but they will need a period of dry weather to complete the work. Complainant’s attorney still plans to discuss this case with management to determine how to proceed.

The parties are directed to participate in a telephone status conference with the hearing officer at 8:00 a.m. on May 5, 2008. The status conference shall be initiated by the complainant.
