)

**ERRATA SHEET NUMBER 1**

NOW COMES the Illinois Environmental Protection Agency through one of its attorneys, Kimberly Geving, and submits this ERRATA SHEET NUMBER 1 to the Illinois Pollution Control Board and the participants on the Service List. Please note that the errata changes reflect amendments to our proposal as submitted to the Board on February 15, 2008 and not to the existing rule.

Tom Hornshaw or Rick Cobb will provide testimony in support of these changes at the first hearing.

<u>Section</u>		
620.420(a)(1)	Arsenic	<u>0.2</u> <del>0.010</del>
	Vanadium	<u>0.1</u> <del>0.049</del>

These changes would have the effect of returning Arsenic's value back to its original standard and correcting the new constituent Vanadium's proposed standard from the originally proposed value of 0.049 to 0.1.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL  
PROTECTION AGENCY
