HEARING OFFICER ORDER

On May 8, 2008, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they anticipate filing an agreed motion to stay these proceedings within the next 30 days while they continue with settlement discussions. The respondent represented that there is a related case with the United States Environmental Protection Agency that is on the same track. The petitioner represented that it will file an additional six-month waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 16, 2008, at 2:00 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
