HEARING OFFICER ORDER

Post-Hearing Comments

The second hearing in this proceeding took place Wednesday, June 4, 2008, in Chicago. The Board received the transcript of that second hearing (Tr. 2) on Tuesday, June 10, 2008, and posted it to its Web site at www.ipcb.state.il.us on Wednesday, June 11, 2008.

Under Section 102.108(b) of the Board's procedural rules, "[a]ny person may submit written comments on any proposal within 14 days after the receipt of the hearing transcript in Board offices unless otherwise specified by the hearing officer or the Board." 35 Ill. Adm. Code 102.108(b). Any participant in this proceeding who wishes to file a post-hearing comment with the Board is directed to do so on or before Friday, July 11, 2008. *See* Tr. 2 at 63-64. Any participant in this proceeding who wishes to file a response to a post-hearing comment with the Board is directed to do so on or before Friday, July 25, 2008. *Id.*

Comments must be filed with the Board's Clerk and properly served to participants on the Service List for this proceeding. 35 Ill. Adm. Code 102.108(c). Comments and other documents may be filed electronically through the Clerk's Office On-Line (COOL) from the Board's Web site at www.ipcb.state.il.us. In the event that the Board issues a proposal for first notice, the Board's procedural rules provide for an additional period of public comment. *See* 35 Ill. Adm. Code 102.108(a), 102.604.

Notice List

In an order dated February 13, 2008, the hearing officer stated that the Board would begin this proceeding by including in the Notice List each of approximately 600 potentially affected manufacturers listed in Appendix A to the Technical Support Document filed by the Illinois Environmental Protection Agency (Agency). The Board mailed a copy of that February 13, 2008, hearing officer order and notice of hearings to each of those entities. However, the order stated that the Board would mail copies of subsequent opinions and orders only to those who specifically indicated that they wished to remain on the Notice List. The Board received this indication from approximately 40 entities, and participants can view the current Notice List through COOL.

After the Board mailed a copy of the February 13, 2008 hearing officer order and notice of hearings to each of those entities listed by the Agency, the U.S. Postal Service returned approximately 70 envelopes marked variously "Vacant," "Forwarding Order Expired," "Addressee Unknown," "Attempted – Not Known," "Moved – Left No Address," and other similar indications that mail delivery failed. In order to clarify the record in this proceeding, Attachment A to this order contains the names and addresses of the approximately 70 entities from which the U.S. Post Office returned the Board's February 13, 2008 notice of hearings and hearing officer order.

IT IS SO ORDERED.
