ORDER OF THE BOARD (by Mr. Young):

This matter is before the Board on the petition filed by the Sanitary District of Elgin seeking an extension of a variance which provides relief from the requirements of Rule 602(d)(3). The Board believes that its action in (R75-15), 23 PCB 663 (Sept. 30, 1976) has rendered this request moot, and it is hereby dismissed. In the event that the District has knowledge of specific facts proving otherwise, the District may refile a petition setting forth those facts and detailing why the amendments to the regulations are insufficient to meet its purposes.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7th day of July, 1977 by a vote of 5-0.
