HEARING OFFICER ORDER

On July 1, 2008, the parties participated in a telephone status conference with the hearing officer. The parties recently learned that the Illinois Environmental Protection Agency discovered new violations at the site. However, since the violations were minor and weather-related, complainant agreed to incorporate language into the settlement agreement to address future compliance. Respondent is reviewing the new language.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on September 8, 2008. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
