HEARING OFFICER ORDER

On July 8, 2008, all parties participated in a telephonic status conference with the hearing officer. The Illinois Environmental Protection Agency (Agency) filed its recommendation on June 23, 2008. The Agency recommended that the Board deny petitioner’s request. The petitioner represented that it does not intend to file a response, and requested that a hearing date be scheduled.

To that end, a hearing in the above-captioned matter has been scheduled for August 20, 2008. The time and location will be noted in a notice of hearing. A pre-hearing briefing schedule was discussed and it was agreed that petitioner must file its pre-filed testimony on or before August 1, 2008. The Agency’s response is due to be filed on or before August 6, 2008. The mailbox rule will not apply to either filing.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on August 7, 2008, at 10:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
