**HEARING OFFICER ORDER**

On July 3, 2008, all parties participated in a telephonic status conference with the hearing officer. Discussions included scheduling a hearing date. It was agreed that a hearing in the above-referenced will be scheduled for August 14 and 15, 2008. The time and location of the hearing will be noted in the notice of hearing.

The respondents have filed their respective motions to dismiss, and it is anticipated that the petitioner will file its response by July 18, 2008. It is uncertain when the Board will rule on the motions. To that end, it is assumed the parties have initiated discovery. Further discussions regarding discovery will be entertained at the next telephonic status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 22, 2008, at 11:00 a.m. Please notify the hearing officer if there is a scheduling conflict. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
